

**136-174MHz NMO Mobile Antenna**

**Electrical specifications**

|                         |               |
|-------------------------|---------------|
| Frequency Range(MHz)    | 136-174MHz    |
| Impedance(ohm)          | 50            |
| Gain (dBi)              | 4.5           |
| Polarization            | Vertical      |
| Radiation               | Omni          |
| VSWR                    | ≤1.5          |
| Lighting Protection     | Direct Ground |
| Maximum input power (W) | 100           |

**Mechanical specifications**

|                            |                        |
|----------------------------|------------------------|
| Connector                  | NMO                    |
| Height                     | 1360mm                 |
| Material                   | Copper,Stainless steel |
| Mount Type                 | Magnetic Base          |
| Weight                     | 0.3Kg                  |
| Operating temperature (°C) | -50~80                 |
